I, Rex Smith, will my car to Gary Wilkinson and Ralph Keerns to speed into Maxwell.
I, Lola Smalley, will my blond hair and blue eyes and my ability to stay tall and thin to Barbara Thompson.

D.A.R. GOOD CITIZEN

The annual "Good Citizen Contest" sponsored by Major Hugh Dinwiddie Chapter Daughters of the American Revolution of Knightstown was accepted by Wilkinson High School. Eleanor Lewman, a senior girl, was chosen upon the basis of Dependability, Service, Leadership, and Patriotism to represent her school. An exam covering affairs of County, State, Nation, and World was taken by Eleanor and after being judged locally, her entry was sent to the state where she placed first in Hancock County.

Congratulations, Eleanor, we are happy to have you as our "Good Citizen."

HOMEMAKER OF TOMORROW

The senior girls of W.H.S. were invited to participate in a nationwide search for the "Homemaker of Tomorrow" sponsored by Betty Crocker. The national winner receives a $5,000 scholarship, the state winners receive $1,500 and a trip to Williamsburg, Virginia, where the national winner will be chosen. Of the Senior girls taking part in the contest, Linda Thomas placed first in this school. Her entry will be judged along with winners from all participating schools for top honors in Indiana. Her award was a gold award pin, along with Betty Crocker cookbooks for herself and for her school.

HOOSIER BOYS STATER

John Whitinger was honored by Greenfield American Legion Post 119 when the organization chose him as Hancock County's representative at the 1954 Hoosier Boys State. This award was based on Citizenship, Leadership, and Dependability. The American Legion renders a great service in building future leadership through the Boys State program. Sponsored by this patriotic and civic organization, Boys State gives the young men opportunity to develop ideals of democracy for a richer and fuller life as American Citizens.

Thanks to Past Commander Don Burres and the Greenfield American Legion Post 119 for selecting a Wilkinson student to be a "Hoosier Boys Stater."

OUR PROPHECY

As I glance through today's edition of The Community Record, May 25, 1975, I see many interesting items. It seems that a world-famous lady wrestler, CHARLOTTE COOK, is coming to our city soon. She's the same girl she was some years ago, except that she is now classified in the heavy-weight division. Here's a picture of a new service station being opened by JERRY JOHNS, the happy (?) father of eleven daughters and no sons, which, he says, is enough to make any man commit suicide.

On the society page, it states that ELEANOR LEWMAN Spegal is sueing LARRY SPEGAL for a divorce. It seems that he refuses to support her and their eight children. Here, too, is a picture of a couple holding open house on their 15th wedding anniversary. It's that prominent couple, Mr. and Mrs. JOHN WHITINGER. Before they were married, GLENDA MILNER was a nurse at St. Johns' Hospital. That's where she proposed to John. He was her patient and was afraid to say "No". It says here that NORMA WHITEMAN is engaged. Again? It's only her sixth time trying to say "I do". Her husband-to-be is a former classmate, TOM BURNS, who has a job testing mattresses for the Cook Mattress Company, owned and operated by RONALD COOK, who is also the chief designer.

That inspired evangelist, THERON COLLIER, is holding a revival at the Christian Church here; leading the songs is KENNETH RUSHTON, usually appearing with the Metropolitan Opera, but who is now home on vacation with his wife, BARBARA RIGNEY, and their five children, all boys. Accompanying him is the famous Philharmonic violinist, LINDA THOMAS. Poor Linda! Still single in spite of all her efforts.

Two representatives of a medical association will be here Wednesday to speak against tobacco. Testimonials will be given by two famous abstainers, JERRY DARLING, author of the book, NO FIRE FOR FAGS, and FLETCHER DOWNEY, inventor of the "No-Smoke" cigarettes, made of wood and designed to kill your desire to smoke. RICHARD NICHOLAS and his trained motorcyle will be making a personal appearance in the Wilkinson Colosseum. He used to ride his cycle through a blazing tank of gasoline but had to quit because the doctors ran out of skin for skin grafts. MAX BAILEY, a hillbilly singing star, is appearing on Channel 55 tonight. He's very popular with the ladies, a second Liberace. The National President of all his fan clubs is GEORGEANNA CONDO, who is happily married. To whom?

In answer to a letter to her Lonely Hearts column, DOROTHY NEFF, tells JAMES WISEMAN, "Don't give up hope. Someday C.C. will agree to take you for her lawfully wedded punching bag."

Here's a want ad for antique cars, run in the paper by REX SMITH, who got his start in 1954 when he purchased his first antique, a 1931 Chevy, which he still pushes occasionally. In the Lost and Found column,HOWARD JONES is asking for the return of the muffler off his car. Either he gets the muffler or he gets canned by the City, County, and State Police.

The girl in this advertisement is JUNIOR DUDLEY'S daughter. He is married and has three daughters, three sons, and seven hound dogs, which is his hobby (the dogs). Here is a picture of a pretty Bride-to-be wearing a gown designed by that world-famous fashion designer, LOLA SMALLEY, currently working with Christian Dior.

Here's my article, today written about that retired multi-millionaire, MR. CHARLES D. FRAZEE,who now spends all his time counting his well-pinched pennies. Oh! Yes! I am LINDA HUCKLEBERRY, hard-working columnist.
